

Huntington Public Library

Mission Statement

The mission of the Huntington Public Library is to provide a culture of diversity, equity, and inclusion in the delivery of services that support the education, information needs, intellectual freedom, and personal enrichment of the Huntington community.

The accomplishment of the Mission is achieved by:

- Creating a welcoming, respectful, and safe environment that attracts people of all ages and backgrounds to engage in lifelong learning;
- Ensuring equitable access to library materials and services;
- Providing access to library services, information, and resources through the use of current technologies;
- Providing assistance for patrons in the acquisition, evaluation, and use of print and electronic resources;
- Collaborating with community leaders, organizations, and individuals;
- Fostering community cultural life by providing space for public meetings, exhibits, and historic and civic collections.
